

K. Rosengart Hearts & Arrows cut to perfection.

8 visible aligned bright Arrows touching the wall in uniform intensity and shape accompanied by 8 pairs of Bow ties.

WHAT K. ROSENGART DOES NOT LABEL AS HEARTS & ARROWS

- Unproportioned, irregular shape
- Major Broken Arrows blocked by inclusion
- off Centered
- Uneven intensity, dark Arrows
- Unnecessary clusters around the Center and the joint between the arrow head and shaft.

The K. Rosengart Hearts & Arrows diamond is a brilliantly beautiful ideal cut diamond that exhibits a distinctive, perfectly symmetrical pattern in the table. The uniquely beautiful brilliance of a K. Rosengart Hearts & Arrows diamond results from perfect facet alignment along all of the diamond's angles refracting a maximum of light, yielding exceptionally breathtaking beauty

K. Rosengart Hearts & Arrows are crafted under extreme precisions. Unlike conventional diamond manufactures K. Rosengart does everything in-house for the best quality control. Every diamond went through analysis no less than 32 quality controls. Making sure every diamond you receive is perfect.
